# MOO TRI TEAM MESSAGE

Welcome to the 2025 Mooloolaba Triathlon!

We're excited to have you with us for this iconic weekend of triathlon on the stunning Sunny Coast.

Affectionately known as Moo Tri, this event is perfect for everyone—from first-timers diving into the sport to seasoned athletes chasing personal bests. With two distances to choose from, there's a challenge for all levels in this breathtaking location.

This year, we're introducing the Aquabike event, bringing a new thrill to our lineup. The Aquabike combines swimming and cycling, offering a unique challenge for those who prefer to skip the run.

Our festival hub, including Check-In, the Mooloolaba Sport and Lifestyle Expo, and our Merchandise Store, will be set up at the Mooloolaba Esplanade Northern Parklands precinct.

The 2XU Swim Course will take place in the crystal-clear waters of Mooloolaba Beach. After the swim, the Bike Course will guide you along the Mooloolaba foreshore, up the Sunshine Motorway, and back. The Run Course will take you over Alexandra Headlands and back on a scenic two-lap route, showcasing one of the most beautiful courses in Australia.

As you prepare, make sure to review the Athlete Information Guide and stay tuned for the Online Briefing. If you have any questions, feel free to join one of our Transition Tours—check the event schedule for details.

We'd like to thank the Sunshine Coast Regional Council, Visit Sunshine Coast, and Tourism and Events Queensland for their continued support. A special shout-out to the Sunshine Coast community and our volunteers, whose efforts help make this event a success year after year.

Mooloolaba and the surrounding regions are some of the most picturesque spots on the

Sunshine Coast. Be sure to explore and enjoy everything they offer as you recover and celebrate your race.

Share your journey with friends and family, explore the Sunshine Coast, and immerse yourself in the pre- and post-race atmosphere.

We can't wait to see you on the course and share the excitement of crossing the finish line!

Train hard, race safe, and enjoy every moment!

### RACE DAY SERVICES

#### Medical

A first aid provider will be engaged to provide first aid at all events operated by The IRONMAN Group.

First aid will be positioned in a variety of locations. The exact positions of first aid stations can be viewed via the [course maps](#). Athletes are responsible for any costs incurred as a result of a medical incident. This includes but is not limited to ambulance transfers, hospital stays, specialist treatment. It is therefore strongly advised that all athletes hold adequate personal insurance. Australian residents are recommended to hold valid private health insurance (inclusive of ambulance cover) whilst international athletes are strongly advised to have adequate travel or personal insurance that will provide coverage for participation in an IRONMAN Group event. Athletes are responsible for understanding the terms and conditions of insurances held.

#### SAG wagon

The SAG Wagon will collect athletes who are unable to complete the event or are unable to finish within the course cut-off time. Collected athletes will be transported back to the event venue.

Should you require a SAG Wagon at any time, please wave down a motorbike official and they will contact IRONMAN for SAG Wagon deployment. Alternatively advise volunteers at the nearest aid station.

**Please Note:** delays in SAG Wagon transport are expected. To assist with a prompt response, please do not move from your reported location once a SAG Wagon has been requested as this could affect their ability to locate and transport you.

### PARATRIATHLETE SWIM START

### ROLLING CATEGORY START

The 2XU swim start will be a rolling category start format. Within each category, athletes will seed themselves based upon their own projected swim times. Self-seeding will be based on your individual abilities according to your expected finish time.

Within each rolling category start there will be 4 start zones. You can avoid being overtaken by stronger swimmers by seeding yourself with athletes of a similar skill and ability level.

The four Start Zones are:

- Zone 1: Under 28 minutes
- Zone 2: Between 28 - 31 minutes
- Zone 3: Between 31 – 35 minutes
- Zone 4: Over 35 minutes

The rolling category start will continue from zone 1 to zone 4 with Athletes being released at intervals, across the start line and timing mat. Each Athletes official individual race time will start when they cross the clearly marked start line/timing mat on the beach.

The next category start will then self-seed into the 4 start zones and this process will be repeated until all category starts have commenced the swim.
